

Mathias Rahbek

Passionate digital designer with special interest in interaction design and UI/UX

About me

A friendly and outgoing person with a high work ethic. I love working with other people and expressing my creativity in a dynamic interaction. I have an eye for detail. I am thorough in everything I do and always want to deliver the best result.

Technical experience

I have experience in design and visual communication through Figma and Adobe XD on desktop and Procreate and other drawing software on iPad. In addition, I have experience with programming in React Native, JavaScript, p5, Python, Processing, and HTML/CSS.
